## **Governor Ducey's Executive Order**

City of Tombstone

### **MESSAGE FROM MAYOR ESCAPULE**

Late Monday March 30th, Governor Ducey issued a 'Stay home, stay healthy, stay connected' Executive Order that affects us all. We are to stay at home as much as possible, except for essential activities, like grocery shopping, getting medicine, gas, etc. The Order goes into effect tomorrow Tuesday March 31st at 5:00 PM, everywhere in Arizona.

Here in Tombstone, I know you'll join me in supporting this increased social distancing effort. We have all seen the COVID-19 casualty projections. If we all do the best we can to comply with this Executive Order, lives... many of them our local lives... will be saved.

Thank you for helping with this. It is a serious situation, that, God willing, won't last too long. The City will do everything possible to aid our residents -- you will find accurate up-to-date information on the City Facebook's DiscoverTombstone, and, within the week, on DiscoverTombstone.com.

Again, thanks, Dusty
